

Give one family enough food for their

Thanksgiving meal

with your donation of

\$15

This November,
2,800 DuPage families
who are struggling through
tough times will visit one of
PRC's Food Pantries.

**Donate online at www.peoplesrc.org
or make your check payable to:**

People's Resource Center
201 S. Naperville Road
Wheaton, IL 60187

Indicate **Thanksgiving** on the check memo line.
If total donations exceed Thanksgiving need, we'll
purchase additional food to help keep PRC's Food Pantry
shelves stocked all year round.

With **every \$15 you donate,**
we can offer one of these families

- ... a special choice of classic
Thanksgiving "trimmings"
- ... their choice of familiar
ethnic foods, AND
- ... a grocery gift card — worth
enough to purchase a turkey!

People's Resource Center

has been bringing our community together to meet the basic needs of
families — neighbor to neighbor — for more than 34 years.

Today, over **28,800** DuPage County residents count on the People's Resource Center
for help making ends meet — and for building a better future — with services including:

- ... free food and clothing
- ... emergency financial assistance
- ... referrals to other social services
- ... computer training & access
- ... literacy training
- ... job search assistance
- ... art enrichment classes

People's Resource Center

Since 1975
