

BOOK DRIVE

Help DuPage kids and families learn, discover, and grow through reading.

At People's Resource Center (PRC), low-income children and adults can get free **GENTLY USED** or **NEW** books:

- ♥ in our food pantry lobbies while waiting for service
- ♥ in literacy classes & tutorials offered all over DuPage County
- ♥ to share the love of reading

Every year, PRC provides 500+ adults with individual tutoring and classes to help them achieve goals like obtaining their GED or developing English literacy.

Monetary donations—in any amount—are also welcomed to help PRC obtain textbooks and study materials for adult students.
