

## *The Dorothy McIntyre Legacy Society*

**Dear Friend,**

Sometimes we meet people who inspire us through their actions. They make us feel that we must try to do better ourselves. Dorothy McIntyre was that kind of person. In 1975, she gathered a small group of neighbors around a powerful vision.

***No one in DuPage County should go hungry, because neighbors helping neighbors can create hope and opportunity.***

That first year, Dorothy and her neighbors provided food for 125 hungry families by handing out boxes of groceries through a basement window. Times have certainly changed as these days **People's Resource Center** helps over 30,000 DuPage neighbors annually.

***Dorothy and her friends were determined to create much more than a food pantry. Their goal was to bring neighbors together through generosity and service. They wanted to build relationships across the social and cultural borders that all too often divide us.***

Clearly, Dorothy and her vision live on today. **People's Resource Center** is still bringing neighbors together. In honor of our inspirational founder, **The Dorothy McIntyre Legacy Society** was created to provide continuous support for her vision.

***See it in the eyes of a young girl choosing a special birthday cake in the food pantry.  
Hear it in the enthusiastic voices of our citizenship students during a discussion.  
See it in the smile of a proud man trying on an interview suit for the first time.***

If you too are interested in finding a way to do good for generations to come, won't you consider becoming a member of **The Dorothy McIntyre Legacy Society**? You'll be in very good company. If you have time to discuss this over coffee, please call me directly at 630-384-1341.

Sincerely,

**Jenifer Fabian**  
Executive Director
