

Dear Friend,

While prosperity has returned for many individuals in DuPage County, some neighbors are still struggling. A job loss, unexpected car repair or health issues can push a vulnerable family into crisis. As a leader in the community, it is so important that we continue to seek out ways to help our neighbors in need.

I'd like to suggest an excellent opportunity to do just that. Would you consider supporting our upcoming **Neighbor-to-Neighbor Gala**? On Saturday, May 4, 2019, friends will gather to **celebrate and support** the programs of People's Resource Center.

Leadership involvement at this event would be a great way to **highlight your community support while helping to build goodwill**. This celebratory event offers the perfect opportunity to highlight your business or thank your dedicated employees.
