

2019-2022 STRATEGIC PLAN

Support | Improve | Grow

Support People

Find Solutions

We will help neighbors overcome barriers, including financial literacy, transportation access and senior needs.

Increase Involvement

To inspire more neighbors to join in PRC's mission, we plan to improve and increase outreach and services across DuPage County.

Improve Experience and Environment

Maximize Properties

As the county changes and our programs grow, we must use all of our physical spaces more efficiently, maximize partnerships and improve our full-service space in Wheaton.

Strengthen Technology

To improve the PRC experience for guests, volunteers and donors, we will modernize our website and technology systems.

Prepare for Growth

Expand Partnerships

To deepen the impact of our work, we will expand partnerships with community, faith and partner groups.

Inspire New Generation

To engage and energize a new generation of volunteers, we will launch a Junior Board initiative for high school students.
