## ABOUT PEOPLE'S RESOURCE CENTER

Since 1975, People's Resource Center has been bringing neighbors together to respond to hunger and poverty in DuPage County. With a team of over 2,000 volunteers, we offer nutritious food and other basic necessities like clothes and rent assistance for people facing tough times. We also connect people with resources – education and tutoring, jobs, technology, art, a caring community – to create a future of hope and opportunity for all.

## VOLUNTEER OPPORTUNITIES

Volunteer opportunities at People's Resource Center include helping in the food pantry or clothes closet, teaching classes and tutoring, serving as a job coach or computer repair technician, or helping with special events, office work, and community outreach. *Please visit our website for details.*
