**People's Resource Center
Job Posting
Teacher for 2019 Summer Science Program
June 10 – July 18 (various times & locations)**

Position Overview

People's Resource Center, a non for profit social service organization, is seeking **to contract with one teacher (license required) for the upcoming 2019 Summer Science Program**. PRC's Summer Science Program incorporates experiential learning through hands-on activities and materials that deepen and reinforce academic learning from the school year and prepares students to be more confident in their knowledge for the upcoming year. PRC welcomed 474 students in the summer of 2018 to focus on science, math and literacy curriculum in a fun and inclusive environment.

We are looking for a teacher to create an exemplar classroom experience to assist EL and at-risk students in building academic language, developing science background knowledge, and enriching their current understanding of content. Successful applicant is dynamic, an energetic teacher who maintains a positive learning environment, holds high academic expectations, and creates a student-centered classroom while building rapport with students. Content is prescribed. Pay rate is \$36 per classroom hour.

Responsibilities

- Adapt current curriculum/content to needs of students
- Teach students in Grades 3-5
- Organize materials
