

Help People's Resource Center keep their food pantry shelves well stocked to feed our DuPage neighbors in need.

FOOD DRIVE

Each month, People's Resource Center (PRC) provides 3,000 struggling DuPage County families with free food.

Monetary donations—in any amount—are also welcomed to help PRC obtain food at deep discount from the Northern Illinois Food Bank.

Want to volunteer? PRC needs food pantry workers, tutors, job coaches, computer repair techs, office helpers, and more. Apply at peoplesrc.org
