

Microsoft Office Specialist Certification: Self Study

People's Resource Center is pleased to announce a virtual self-paced study option!

Choose from Word 2019, Excel 2019, or PowerPoint 2019.

- Applicants will be screened for basic computer skills and technology access before being eligible for registration
- Students must have a Windows-based computer with Office 2019 or a paid Office 365 subscription to be eligible for the classes
- Students will have access to 1:1 support by appointment for class content related questions
- Students may only register for one MOS class at a time
- The Certification exam will be proctored virtually and must be completed within 60 days of beginning the course lessons

This FREE virtual certification course will:

- Validate your Microsoft Office Skills to employers with recognized certification on your resume
- Differentiate yourself in the job market
- Increase your skill level in Microsoft Office
- Broaden your abilities and increase opportunities for advancement

To begin the application process, please fill out our interest form using the QR code below.
